Dr. Jamil Ahmed

October 15, 2023

Dear Alumni,

On behalf of the executive committee of SOMCAA, NA, we invite you to the 9th Biennial Convention of SOMCAA, NA on Sunday, October 29, 2023 beginning at 6:00 PM (EST).

Venue: Agra Palace
116-33 Queens Blvd, NY 11375

Please join us to welcome the convening committee of this year's convention

Convener: Dr. Muhammad Saaduzzaman Choudhury

Co-convener: Dr. Motiur Rahman

This year SOMCAA, NA alumni will elect members of the executive committee during the biennial convention. Following members had willingly accepted to serve in the 2023 SOMCAA, NA Election Commission

Chairman: Dr. Ibrul Chowdhury

Members: Dr. Mohibur Chowdhury and Dr. Ehtesham Talukder

The commission will delineate election procedure in coming days. Please take a note that, our by-laws has specific guidelines and timeline to conduct the election. Because of upcoming holiday season and members personal/professional commitments, we are in a time constraints to complete the election process. Executive committee had requested the election commission to complete the entire procedure including call for nomination, vetting of the candidates and proposing a slate before the convention. Therefore some of the specific timelines for the election may need to be shortened. Members of the executive committee will fully cooperate with the election commission in their activities and we request all our members as well to help the election commission to fulfill their responsibilities. As you know, SOMCIAN's had a successful event with mass participation of our alumni on the cruise in August 2023. During the event, members had proposed some names to serve in 2024-2025 executive committee. We will provide those proposals to the election commission for their consideration

I am requesting all SOMC alumni to pre-register for 2023 Biennial Convention using the enclosed form. We look forward to welcome you all on October 29, 2023 at 6:00pm. Thank you.

Dr. Ruqaiya Choudhury
Acting President, SOMCAA, NA.
